

S.E.B.'s Forward Party

Staff of the Week Proposal

Date: Nov. 12th, 2024.

- What is Staff of the Week?
 - Staff of the Week is a project where we the students come together to recognize a staff member that has been nominated for their great performance and reward them.
- Why is this project important?
 - Recognition: Recognition is important so that staff members do not go unnoticed for their efforts.
 - Belonging: It is important to build a school's community so you can create a sense of belonging especially to those who go most unnoticed in our country which are school staff members.
- How it works:
 - Every week the names of all staff members will be put in a spin the wheel, whoever gets picked wins Staff of the Week!
 - Students will also be able to use a form that is going to be available in the S.E.B. Website to nominate a staff member and that staff member's name will have an extra slot in the spin the wheel. The more nominations a staff member gets, the more chances they have to win Staff of the Week!
